Month of the Rosary

The **month** of the Holy **Rosary** is October and this entire **month** is dedicated to the **Rosary**. The feast day of the **Holy Rosary** in particular is October 7th. This feast is held in memory of the glorious and triumphant victory at the battle of Lepanto.

During this battle, the Mohammedans threatened to overrun Christian Europe. Pope Pius V formed a league against them. He ordered the churches and the soldiers to have public processions and recite the Rosary for forty hours before the attack began. The battle raged until the Turks gave way and their threat ended in the Mediterranean Sea. The commander of the army, Don Juan of Austria ascribed the triumph of his fleet to the powerful intercession of the Rosary Queen, Mary, Our Lady of the Most Holy Rosary. Pope Pius V recognized the power of the Blessed Virgin by establishing October 7, 1571 the feast day of Our Lady of the Most Holy Rosary. Reference: World Apostolate of Fatima © 2003
