LOVE LIFE LIVE LENT TRANSFORM YOUR WORLD

Lent is not just about these things for the sake of being miserable or holy. The 'end' of Lent is greater holiness and a greater engagement with the reality of God, the world, of life and oneself in relation to God. It is a hard time of self-examination, an escape from fantasy and a stripping away of the illusions that get in the way. *Nick Baines BlogWordPress.com*

Let's do the work and embrace the NEW LIFE of Easter. Jesus shows us the way.

World Thinking Day

Photos c/o Candice King

Brownies and Sunflowers take time out to celebrate with other Girl Scouts and Girl Guiding organizations around the world to think about their “sisters” and “brothers” in other countries, its meaning and global impact. This year they thought about the environment.
