To our parents and families: Thank you for your unwavering support and partnership. Your encouragement helps our students thrive.

To our teachers and staff: Your dedication and passion make all the difference. Every lesson, every extra effort, and every caring moment contributes to the success and well-being of our school community.

Apart from the Awards Day, the Grade 6 teachers will organize several additional activities for the Grade 6 Activity Package at an extra cost. These activities may include a Grade 6 dinner, a class t-shirt, professional photos, and other student activities.

These additional activities aim to create lasting memories and a sense of achievement for our graduating students as they transition to the next phase of their educational journey. The cost of the Grade 6 Activity Package will be sent home by the end of the first term.

Participation in these activities is optional.

IMPORTANT REMINDER

Parents Attire on School Campus

As we continue to create a positive and respectful learning environment for our students, please be reminded of our school's dress code policy regarding attire worn on campus.

We believe that appropriate dress plays a significant role in maintaining a focused and respectful atmosphere. Therefore, we kindly ask that all parents adhere to our dress code guidelines when entering the school campus. Inappropriate attire, including but not limited to clothing with offensive graphics or language, excessively revealing outfits, and items that do not align with our school values, will result in you not being allowed to enter the campus.

We appreciate your support. Together, we can ensure that our school remains a place where everyone feels comfortable and focused.

Thank you for your cooperation and understanding.

Happy Summer
